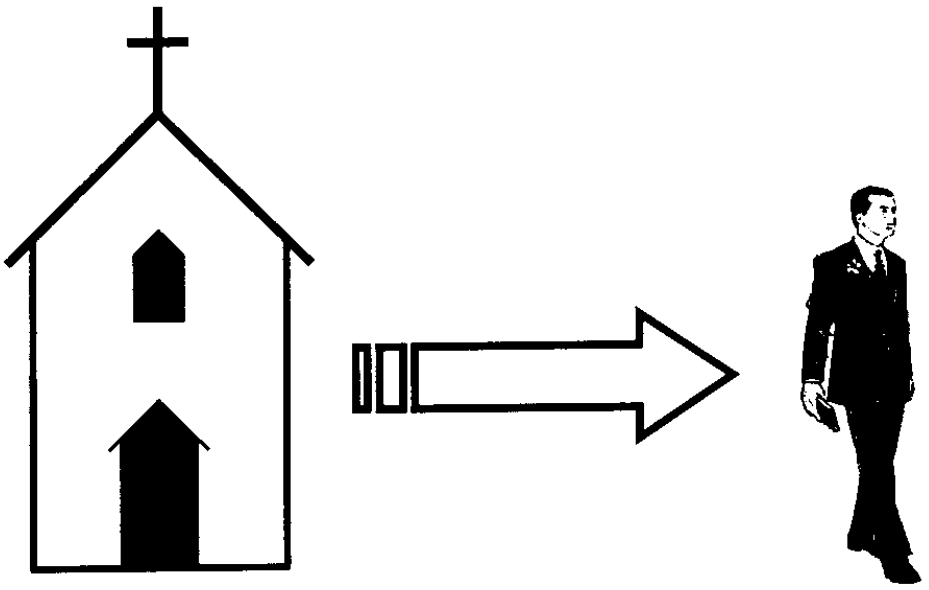
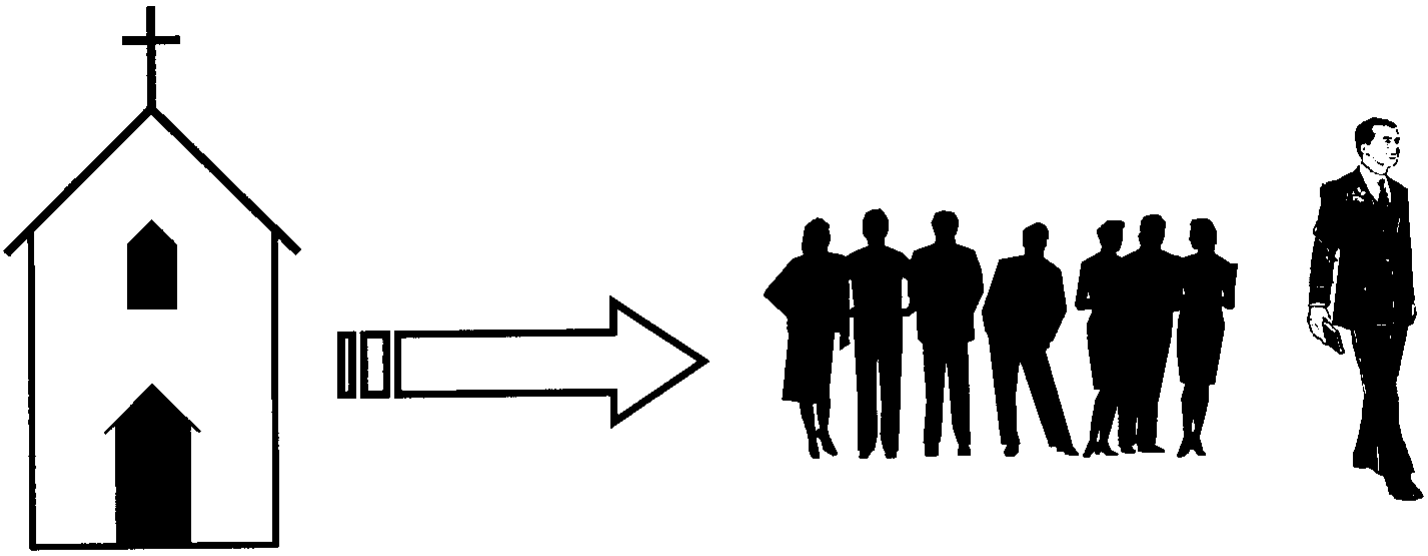
The MODELS of "mothering" a new church:

1. **Model 1 -** The "mother" church supports the church planting missionary.



2. Model 2 - The "mother" church <u>sacrificially gives willing volunteers</u> for the new work and supports the church planting missionary.



3. Model 3 - The "mother" church allows the "daughter" to live at home in its facility for a time, sacrificially gives willing volunteers for the new work and supports the church planting missionary.
