Answers to 6 Reasons Jesus COULDNT have died for your sins

Since there seems to be some consternation over the points of the "atheist," here is my response:

In general, the atheist only uses Scripture references that suit his points while ignoring all of the Scriptures which show the opposite of his point. Satan has always twisted God's Word to contradict God's Word (Genesis 3:1; Matthew 4:6; 2 Peter 3:16).

Regarding each point:

1. Atheist: "A sin offering had to be a female, goat, or sheep (Lev.4:32). Jesus was human."
Bible Answer: Jesus was the Passover Lamb (1 Cor. 5:7), which had to be an unblemished male (Exodus 12:5); God allowed for other animals (bulls, goats, birds etc.) to be used for other sacrifices (examples: "peace" "trespass" and "sin" offerings) which could be female (because in fact Jesus being God is without Gender in His Divine Nature; He is only human in respect to His adapted temporary Human nature – Hebrews 2:9, 14)

2. Atheist: "An offering couldn't be injured or have wounds on it. Or sores on its body (Lev.22:22) Jesus had multiple wounds on his body prior to his "death"
Bible Answer: The offering was to be unblemished when it was originally taken from among the herd (Exodus 12:5; Num.19:2), but obviously when it was butchered it would have wounds and be slain. Jesus when initially arrested and taken was physically unblemished as well. But then He would allow Himself to be abused and slain. Note: The real symbolism behind the "unblemished" sacrifice is that the innocent animal pictured the spiritually innocent and unblemished Son of God. God's Lamb (Jesus) was without sin (1 Peter 1:19; 2:22; Hebrews 7:26; John 8:46).

3. Atheist: "A sin offering had to be taken to the priest & sacrificed on an altar in the temple. Anywhere else was a sin and unacceptable to god (Deut 12:13-14)".
Bible Answer: The "place" of which Deuteronomy 12:13-14 speaks has reference NOT merely to a tabernacle or temple but to the place of "one of your tribes" which would be JUDAH and particularly in Jerusalem which is exactly where the Messiah, Jesus would be crucified.
Note: The Temple and the place of Christ's sacrifice was on the same mountain range (Mount Moriah – where Abraham offered Isaac). It is God's place of sacrifice.
Also Note that NO sacrifice was to be slain IN the actual Temple. It was slain on an altar outside of the Temple and it's blood would be brought into the Holy of Holies in the Temple. Christ was slain outside the gate in Jerusalem just as the Old Testament predicted in the Burnt Offering Sacrifice (Hebrews 13:11-12; Lev.4:21; 16:27).

4. Atheist: "A human sacrifice is an abomination to god (Deut. 12:31 & 18:10; Ezek. 16:20)."
Bible Answer: True. But Jesus was NOT A MERE HUMAN. He pre-existed as God who became flesh to die (John 1:1, 14; Acts 20:28; Colossians 1:13-17) He came into the world from Heaven to save sinners (John 6:58; 1 Timothy 1:15). God accepts NO sacrifice of a mere human.

5. Atheist: "No man can die in place of, or in ransom of another man (Psalm 49:7-8)"
Bible Answer: Psalm 49:7-8 is showing that no mere human can redeem themselves from death or anyone else. By our efforts, no human can do anything to escape inevitable death (v.8-9). ONLY GOD CAN PROVIDE REDEMPTION. Our sin demands a perfect, and infinite sacrifice. Only the Lord could provide this and He did! (Isaiah 53; Ephesians 1:7; Colossians 1:14).

6. Atheist: "Every man is responsible for his sins, and a father can't take responsibility for the sins of his kids (Ezek. 18:20)." Bible Answer: Again True. NO ONE CAN BLAME ANYONE ELSE FOR ONE'S SINS. (Ezekiel 18:4). You must take responsibility for your sins and admit your utter sinfulness to God. The Lord is not responsible for your sins either! He cannot be blamed for your sin. But He did love you enough to willingly pay the penalty for your sin and satisfy His own holy demands regarding sin (Isaiah 53).
