7. The greatest gift can be yours today

God proclaims "Behold, now is the accepted time; behold, now is the day of salvation." (2 Corinthians 6:2). "…Today if ye will hear his voice, harden not your hearts." (Hebrews 3:7 & 15) "For whosoever shall call upon the name of the Lord shall be saved." (Romans 10:13)

* When you ask to be saved, two things are absolutely necessary: "**Repentance** toward God, and **Faith** toward our Lord Jesus Christ." (Acts 20:21)

REPENTANCE is to have a change of mind about sin, to change your mind from thinking your sin is not so bad and to realize that your sin is a horrible offense to a holy God. You must be willing to honestly admit your sinful condition. And you must turn from anything that is keeping you from coming to Christ.

In Luke 13:3 Jesus said, "Except ye repent, ye shall all likewise perish."

FAITH means to trust (depend upon) Jesus Christ alone to save you from sin and Hell and take you to Heaven. God's gift of eternal life will be given to you the very moment you are willing to believe on His Son – Jesus. "He that believeth on the Son hath everlasting life…" (John 3:36) "Believe on the Lord Jesus Christ, and thou shalt be saved." (Acts 16:31)

The greatest gift can be yours right now!

If you will admit your sinful condition to God and realize your desperate need for His forgiveness, you can be saved today!

- Do you admit that you are a sinner deserving of God's Judgment?
- Do you believe the Gospel, that Christ died on the cross to pay the penalty for your sin?
- Do you believe that He arose from the dead and can now give you eternal life as a free gift?

If so, simply ask Jesus Christ to save you right now! Your eternity depends on what you do with God's offer.

Gifts must be paid for, offered to someone, and then received. God's gift was paid for by His Son's shed blood and death on the cross. His gift is now offered to you freely. You must receive this gift today! Receive Him now! (John 1:12). He is the greatest gift you will ever have!

"Thanks be unto God for his unspeakable (indescribable) gift." (2 Corinthians 9:15)
