INTRODUCTION:

***Upon what is your life built?**
(What is the foundation of your house? What undergirds your profession of faith?)

I. The Wise Man Built His House (life) Upon the Rock
By HEARING and OBEYING God's Word (v. 24-25)

II. The Foolish Man Built His House (life) Upon the Sand
By HEARING and NOT OBEYING God's Word (v. 26-27)

*Your obedience reveals the genuineness of your profession.

III. Observations to Think About:

A. Both men heard the same message

B. Both men built a house

C. One man built the hard way, and one the easy way

D. Both men faced the same storm

E. The wise man's house remained firm when he needed it most

F. The foolish man's house fell when he needed it most

G. The fool's house fell when it was too late to build another one

H. All that matters is the final score (what endures and triumphs in the end)
